

2nd Annual St. Louis Singles Shuffleboard Tournament

The Affton Elks recently hosted the 2nd Annual St. Louis Singles Shuffleboard Tournament. The turnout was lighter than expected with only 10 players competing this year. The first tournament had 17 players so hopefully next year will see a greater turnout. With that being said 6 of the top 15 rated players in Missouri were in this tournament so the competition was very strong. Taking third place was Jimmy Dunn. Second place went to Chuck Muehlhauser. This year's champion was Larry Romay. Larry had to come through the loser's bracket and double dip Chuck to become champion. All three of these players shot well all day so once again congratulations. Special thanks to Doug Schmalz-computer, Dan Neaf-calcutta, and to everyone who brought food for the players.
