

Hey Shufflers,

As I'm sure most of you know by now, this past weekend was the 8th annual Columbus Day Shuffleboard Tournament. I hope to get the website updated sometime this coming week, but just wanted to give a quick shout-out to the winners and those who made this event a success.

First of all, thanks to Steve Sheridan and Mike Polson, who put the tournament together this year and were the tournament directors. They did a fine job, all the more impressive since this was their first time. Great work guys!

Friday night was the A/B draw partner event, which had 19 teams and carried over to Saturday. First place honors went to Robert Kasza and Carol Weerts, Carol's first tournament 1st place finish, congratulations to both of you! 2nd place was Dee Ross and Jan Vincinc, followed by Dennis Sandstrom (Larry Sandstorm) and Wayne Honer in 3rd place. 4th place went to Steve Sheridan and Julie Ray (4th).

Finally, somewhere around 2:00 on Saturday, the bring partner event took place with 19 teams participating. There were a lot of great games along the way, right down until the end. When everything was done, the brothers Jerry "let me give you some options" Romay and Larry Romay owned the day, stealing victory from Steve Sheridan and Robert Kasza who took second place after beating the previously undefeated Romay boys. 3rd place went to Dan Kelly and Steve Nowack, followed by Mark Polson and Chris Tinker coming in at 4th place. Finally, the 5th/6th place honors went to the husband and wife team of Jimmy and Donna Dunn and Steve Kane and Frank Coleman.

Thanks again to EVERYONE who helped make this event a success. Don't forget the [2008 Holiday Tournament](#) is just around the corner. Hope to see you all there!

And finally, the picture of the event (Robert is fascinated by the Elk).

A reply from Steve Sheridan: Thanks Doug! There's only a few things you didn't mention. First a big thanks should go to John [baby face } Boyer and Larry Romay for the fantastic job they did with the boards!!!! All three boards played the best they have ever been in since they arrived at the club. The food that was brought to the Friday event was the best. So I think those that those ladies and one cross dresser deserve a huge " Thank You". Last but not least next year the Friday night event will be an "A-B-C" draw tournament. There won't be tee shirts then either.
